

The Boneyard Pub & Grille opened in 2007 by the Jones family. With local ties, this family has lived in the area for over six generations. The Boneyard is committed to the community by supporting various organizations, youth sports, and local fundraising.

Why is our food so good? Great food starts with a great product. We avoid frozen and pre-packaged foods as much as possible. Our pure ground angus beef comes from a local meat market, delivered fresh and hand pattied for burgers in our kitchen. Our chicken is delivered fresh, ribs cooked in our own oven, and tenderloins are perfectly aged and hand cut by our cooks. Our goal is to bring you the best food at a fair price, adding our own unique twist to everything we do. We are always trying new things and offer something different each month with our food and drink specials. Good isn't good enough - it has to be "Boneyard Good" to go on our menu.
